Name(s) _____

Use your powers of observation and the clues provided to find the objects that are hidden in the nature area! Draw a map of the area on the back of this worksheet. Be sure to mark and label the secret locations of the items on the map.

Area A

I'm waxy with a cool color green,
I blend in so I can't be seen.

What am I? _____

Mistakes are my game,
Find me to learn my name.

What am I? _____

From paper to yarn in a ball,
Use me to cut through it all.

What am I? _____

Area B

North, south, east, and west,
I can help you find your way the best.

What am I? _____

Notes and more I help to write,
My color might make me easy to sight!

What am I? _____

Clip me on papers to hold them tight,
You won't lose them if you use me right!

What am I? _____

Area C

With a little heat I bubble and brew,
I am a favorite for chemistry stew.

What am I? _____

I'm yellow and sharp as a tack,
You'd better use me or you'll get held back!

What am I? _____

Area D

Little things are hard to see,
That's why you will want to use me!

What am I? _____

Meter by meter, inch by inch,
I can tell you the height of a bench!

What am I? _____

Don't forget ...
