

CSI Challenge Case: Barbie Mystery

Name _____

Part A: What evidence would you collect from this crime scene?

Examine the scene shown below. Use a marker to circle & number the evidence you would collect.

Fill in the chart below and explain how you would use them to gather clues about the crime.

#	Description of evidence	What do we hope to learn from analyzing the evidence?
1		
2		
3		
4		
5		
6		
7		
8		
9		
10		

CASE BRIEFING - Review the information to help you answer these questions.

1. Who was the victim? What details do you know about this person?
2. Who are the “persons of interest” in this case? What are their connections to the victim?

Evidence Reports- Review the reports and add details in the chart below or on the chart completed on the front of this page.

#	What did you learn from the evidence analysis?
1	
2	
3	

Final Report - Review the evidence to answer these questions:

- (1) What happened to the victims?
- (2) Which person is responsible for their deaths?
- (3) What are the three most important pieces of evidence? Why?

Case Summary – What was the outcome? Do you agree? Why or why not?
